The forecasting effort for MC3E will begin spin up at the DOE ASR Science Team Meeting early next week. Please see the schedule below. Thereafter, the plan is to continue with a daily briefing that also uses this MC3E Portal and telecon capabilities. Check in for more updates and/or watch your emails.

Schedule:

Tuesday, 29 March 2011, 9:45-10:00 AM CDT, Room TBA

Wednesday, 30 March 2011, 9:45 - 10:15 AM CDT, Room TBA

Thursday, 31 March 2011, 9:45 -10:15 AM CDT, Room TBA

If you are unable to attend the Science Team Meeting, but would still like to participate in the daily briefings next week, we will continue to use the NASA teleconference line:
